VEO METRO BACKPACKS

VEO Metro Backpacks are designed to look at home in the most sophisticated cities, while carrying a larger camera kit in comfort while you explore. Despite the focus on design, these bags will keep your camera kit safe with high quality weatherproof materials and slimline padding. For added security, they also include a hidden Airtag pocket. Available in a choice of sizes (up to 30 litres) and colors, you can pick the backpack that's right for you.
